

COP21

**AGRIBUSINESS DAMAGES
THE CLIMATE, PEASANT AGRICULTURE
PROTECTS THE PLANET!**

**FULL PROGRAMME
OF OUR MOBILISATIONS
FROM 29/11 – 12/12**

Confédération Paysanne

Les Amis de la
Confédération
Paysanne

We fight against the false solutions that build a world without peasants! We fight so that the peasant agriculture movement is the one that guarantees people's food sovereignty! We call on everyone: male and female, peasants, citizens to become mobilised in this moment of resistance, which should lead to a continued struggle movement that is AGAINST false solutions, and FOR food sovereignty and social justice.
